Tap Gift rack backing

Letter, landscape. Print at 100% (Actual size), not Fit to page.

Cut on the solid line and the hang slot. Fold back on the dashed line, glue the halves together, then glue on the card.

How to load this card

1. **Tap the card with your phone.**
   A blank card opens Tap Gift. No app needed.
2. **Tell our AI shopper what they love.**
   It suggests real, in-stock gifts, each with a reason.
3. **Keep a few and pay once with PayPal.**
   You pay for the costliest one up front, plus shipping and tax.
4. **Hand them the card.**
   They unwrap every gift and keep one. If it costs less, you get the difference back.

One card, many birthdays.

After they choose, the same card can carry the next gift.

tap-gift.onrender.com

A prototype made for the PayPal AI Hackathon.

Tap Gift

A gift they get to choose.

Glue the card here

1. **Tap**
   Hold a phone to the card.
2. **Unwrap**
   Tear open every surprise.
3. **Choose**
   Pick the gift they love most.

Load it before you give it.
